## LAWFUL AUTHORITY

### PARENTS

All parents have powers and responsibilities in relation to their children which can only be changed by a court order. The *Children's Services Regulations 2009* refer to these powers and responsibilities as lawful authority. It is not affected by the relationship between the parents such as whether or not they have lived together or are married.

A court order such as under the Family Law Act, may take away the authority of a parent to do something or may give it to another person.

### GUARDIANS:

A guardian of a child also has lawful authority. A legal guardian is given lawful authority by a court order. The definition of a guardian under the *Children's Services Act 1996* also covers situations where a child does not live with his or her parents and there are no court orders. In these cases, the guardian is the person the child lives with who has day to day care and control of the child.

## COURT ORDERS, PARENT ORDERS OR PARENTING PLANS RELATING TO YOUR CHILD
